Join us for the 6th Annual

(now a California-wide virtual march)
INTERFAITH IN ACTION: HEALING THE NATION AND OUR WORLD

SUNDAY APRIL 11, 2021 2—4PM

We invite you on a journey of healing, peace, and unity among people of every faith, philosophy, and creed.

- We are united in rejecting hatred and oppression in the name of religion and in supporting freedom of worship or belief.
- We are united to stamp out bigotry and violence of every sort, and in support of the right to live peacefully.
- We are united in affirming the role that the interfaith community must play in safeguarding the health and safety of all people.

We will march in solidarity with dozens of partner marches around the world. Let us join together to heal the nation and our world.
